

The new Find Docs and Services. Find the right doctor. Right away. And know what to pay.

Navigation made even easier. Customized results put you in control.

Go to *Find Docs and Services* at **myCigna.com** and enjoy a very different search experience. We've enhanced our functionality, so it's easier than ever to search for specialties. And with our new capabilities, misspellings or complicated medical terminology are corrected for you. You can even enter in terms like "ENT" and get results for "Ear, Nose and Throat." You don't have to be the expert, the search will be.

All these search changes are designed to put you in control, so you can get the answers you need to make smarter decisions. Most importantly, the results are personalized according to your health plan. You get the information that matches your coverage, so you can make decisions that are right for you and your family.

Personalized search capabilities.

Don't know your doctor's specialty? No problem. **myCigna.com** will help you find the right doctor without confusing medical titles. Too many doctors to choose from? Refine your search. It's as easy as moving the distance range and clicking on **Cigna Care Designations** or whatever criteria you need.

Quality distinctions and cost efficiency ratings.

You can review the results for every doctor, with quality-designated doctors appearing first on your list. Deciding which doctor to see is now even more clear and comprehensive.

Compare out-of-pocket estimates, doctors and facilities.

All your costs are calculated specific to your coverage plan. Comparing actual treatment and procedure costs is simpler. Get out-of-pocket estimates, calculate your deductible, the percentage you pay (coinsurance), and your account balances at any time.

You can more accurately compare total costs of treatment before choosing your doctor and where to receive care. When it comes to what you want to spend and where you want to go, you are in control of the decision-making process.
